RECENT SELECT ADVISORY WORK

2021-2022	Academic Project Director, Nunavut Basic Income Project	A team composed of experts from McMaster University, who were involved in the Ontario Basic Income Pilot, experts from the University of Calgary, led by Dr. Lindsay M. Tedds, a member of the BC Basic Income project, and the non-profit project management firm, BluePrint ADE, which provided extensive support to the McMaster team as part of the Ontario Basic Income Pilot, was selected by the Government of Nunavut to provide recommendations for the design of a GBI program appropriate for Nunavut and which could support Inuusivut in Nunavut.
2018-2021	Member, B.C. Basic Income Expert Panel	Appointed by the province of B.C. to study the potential for using a basic income approach in B.C.'s efforts to reduce poverty and prepare for the emerging economy. Draft report submitted July 21, 2020. Final submitted December 31, 2020. Throughout 2021, the work will focus on implementation.
2020	Member, Royal Society of Canada post-COVID Economy Recovery Working Group	The Royal Society of Canada established a task force of clinical and academic experts to equip Canadians with accurate information about the COVID-19 response and recovery. The task force formed several working groups, one of which developed recommendations for economic recovery. Final Report published December 2020.

2020	Member, Municipal Platform Development Task Force, Calgary Chamber of Commerce	The Calgary Chamber of Commerce formed a working group to develop a policy platform to advance inclusive growth in Calgary. Report will be issued in early 2021.
2019-2020	Member, City of Calgary's Financial Task Force	The City of Calgary established a citizen's panel to develop a new framework for city property taxes to address the collapse of valuations of commercial property in the downtown core and advising on additional revenue sources. Final report was tabled to Council in June 2020.
2018-2019	Chair, B.C. MSP Task Force	Appointed by the province of B.C. to provide advice on the best path to eliminate MSP premiums. Final report submitted March 2019
